

# Hot Hot Hot!

Hen thought that she could handle  
Any chilli pepper.  
But then one day, she tried to eat  
The hottest chilli ever!

*"It burns, it burns, it burns!" she said,  
"This is a spicy chilli!"  
Her tongue and beak were turning red,  
"I'm feeling rather silly!"*

Fan your mouth as  
if you have eaten  
a hot chilli.

That red hot spicy chilli pepper's,  
Just too hot to eat.  
So use your hands to fan your mouth,  
And fan away the heat.
